

HSE Policy

Why

This is the purpose of our business.

We want everyone working for Senvion to come home safe and healthy every day.
We care for the environment, with our products, business and behavior.

How

This is how we do it and what makes us special.

Communication

Transparent and clear HSE targets and results. Simple rules and instructions. Promote open communication to achieve a positive culture.

Partnership

Management commits to HSE as a core value. We promote an HSE-mindset and behavior in our teams and with our partners.

Passion

We engage and empower everyone for HSE – we lead by example and care for each other. We take pride in the standards and goals we set in HSE and strive to achieve them.

Performance

Simple reporting. Efficient analysis. Reliable actions. Continuous improvement. Adhere to standards.

What

This is what we do

We create a world class environment and health and safety culture.
We comply with all legislation, regulation and requirements of relevant interested parties.
We work closely with our partners and customers.
We are committed to protect the environment, prevent pollution, eliminate hazards, reduce occupational health and safety risks and enhance management systems and performance.
Safety is the key factor - everyone is obliged to stop any unsafe job.
